

**Election address : Sue Ells**  
**September 2020**

Proposer : **PM Patrick Chapman**

Seconders : **CA Kanan Barot**, Chair of the Membership Committee,  
and **CA Nanette Young**.

As a proud and active liveryman of the Worshipful Company of Management Consultants, I'd be honoured to be considered for the position of Court Assistant.

Since joining The Company in 2018, I've been delighted to be an active participant in a wide range and number of company events, from Faith Group discussions to black tie dinners, not forgetting the hugely informative CMCE events.

I've particularly valued the opportunity to get involved with the Membership and Pro Bono Committees, focusing on bringing in new members and delivering the charitable work that's so important to us all.

The City and its Livery Companies have an important place in our history and in our futures too. I'd be pleased to play my part in ensuring that the WCoMC remains entirely relevant to a large and diverse group of management consultants, and through that group maintains its important contributions to charitable causes.

I enjoy having the opportunity to demonstrate my enthusiasm for collaborative working with Company colleagues and showing my ability to balance support and respectful challenge. It's a pleasure to share my knowledge from more than 20 years working as a management consultant and psychologist with other Company members.

I'm committed to Court participation and good governance. For me, role modelling excellence as a Court Assistant will mean things like :

- Continuing to join in as many Company events and initiatives as possible, and encouraging others, and guests, to do likewise.
- Being a collaborative colleague, sharing my knowledge, asking others to share their knowledge.
- Doing what I can to strengthen what the Company offers; and
- Being a good representative of the Company and the charitable work it does.

As a Court Assistant, I'd be supporting both the Company's longstanding aims and the priorities of the current Master.

Thank you for inviting me to contribute my skills and experience to the Court.
